

**Black Sea Cultural Animation Program**  
Pilot model for mobilizing the common cultural characteristics for creative  
destination management in the Black Sea Basin (BS CAP)

**Advisory Culture Council**

**Decision**

**On the selection of six sites or objects characterised as cultural heritage in the  
Black Sea Region in Turkey.**

The Advisory Culture Council gathered and working within the framework of the project Black Sea Cultural Animation Program: Pilot model for mobilizing the common cultural characteristics for creative destination management in the Black Sea Basin (BS CAP),

Having conducted two meetings for the identification, discussion and selection of cultural sites/objects indigenous to the Black Sea region in Turkey as described by the criteria of the Black Sea Basin Programme;

Having had into consideration the common criteria for identification and description of the objects of culture animation elaborated by the partners in the project

**DECIDED**

The six objects of cultural animation which will be included in the Catalogue “Black Sea Culture Heritage” are:

- 1-“The Edirne Bazaars”
- 2- “The Selimiye Mosque Complex and Exposure Area”
- 3-“The Edirne Archaeology and Ethnography Museum”
- 4- “The Traditional Oil Wrestling, Kırkpınar”
- 5 -“Edirnekâri (Ornamentation) and Edirne Red”
- 6- “An Art beyond Cleaning: Groom Making and Mirror Cleaner”

The herewith decision is active as of 12.06.2012

Common borders. Common Solutions.
